AMERICAN NICKEL WORKS,

Camden, N. J. March 27 1882

Hon D M Bogs

Dear Sir

As the order for bronze blanks will be filled within a few days I write to ask if you are inclined to give a further order at this time

I am prepared to continue deliveries without interruption, and as you are aware of the advantages of having these blanks in stock, so that neither your operations or the public demands may be checked, it may seem to you expedient to let the deliveries go on at such rate as you may dictate

Awaiting your response I remain

Yours truly

Joseph Wharton
